AJ&CO

As Managing Partner and founder of AJ & Co, Andrew Johnson (AJ) brings more than 18 years' experience to the firm he established in 2016.

INTRODUCTION

Throughout his career Andrew has provided invaluable counsel to some of Australia's largest companies and biggest projects.

His skill set has seen him advise Top 50 ASX clients on complex property disposals and acquisitions, corporate governance and securities, investment schemes and capital raising exceeding \$1 billion.

Andrew is a people person known for his endearing manner and problem solving abilities. He is an unapologetic perfectionist, with a keen eye for detail.

Like the business he created, Andrew is driven by values, accuracy, client satisfaction and always delivering value for money.

"To create enduring client relationships you must be trustworthy, reliable and easy to do business with. This philosophy has helped drive my career from the very beginning."
