

KYLA BROSE

AJ&CO

COMMERCIAL. CREATIVE. DETERMINED

INTRODUCTION

Kyla applies her carefully honed skill set, wide-ranging experience and business and commercial acumen for her clients to enable them to thrive. Her keen eye for detail and lateral thinking, applied with consideration of practical and commercial aspects ensures that she is an asset in each and every transaction.

She acts for a variety of clients, from small family businesses to ASX listed companies, with the same determination to excel and obtain the best possible results.

“We work with our clients to achieve the best possible outcome with commercial realities firmly at the forefront of our mind.”

EXPERTISE

Mergers & acquisitions | Trade sales | Corporate advisory | Corporate and business restructuring | Commercial law | Funds management | Joint ventures & partnerships | Intellectual property law | Asset protection | Leasing & property development | Commercial & industrial sales |

EXPERIENCE

Kyla's experience spans a wide range of industries, recently including:

The corporate restructure of a large privately-owned business spanning Australia, Europe, United Kingdom and the USA, covering asset protection, intellectual property registration and protection and the detailed documentation of rights and governance obligations between shareholders for companies both within Australia and internationally;

Advising on and assisting in the completion of the acquisition of a high value technology business in the United Kingdom by an Australian company;

Advising and acting in multiple high value commercial real estate acquisitions and sales throughout Queensland;

Corporate structuring and ongoing legal assistance for the acquisition and aggregation of businesses with a view to listing on the ASX, including the preparation of detailed legal due diligence reports;

Complex retail leasing negotiations for hospitality groups;

Providing complex advice regarding restrictions and exemptions in the Competition and Consumer Law Act 2010 (Cth); and

Advice and assistance in the establishment and operation of managed investment schemes, including financial services licence requirements, fundraising obligations and methods.
