

JONATHAN WHYBIRD

AJ&CO

STRATEGIC . TENACIOUS . RESOURCEFUL

Jonathan provides strategic solutions that cut through red tape to achieve successful outcomes.

INTRODUCTION

His understanding of business and diverse legal experience makes him an important asset in any commercial matter.

For more than 10 years Jonathan has acted on over \$15b in transactions and is a trusted advisor to participants in the tourism and leisure, resources, agri-business and technology industries. He is a dedicated problem solver who develops long lasting relationships with clients who actively involve him in important business decisions.

Jonathan's clients include large multinationals, Top 200 ASX listed entities and large private companies. His skill set has seen him advise on major acquisitions and disposals, complex commercial arrangements and commercial disputes.

Jonathan adds value to everything he does, helping his clients to grow and prosper. He is someone you can discuss business risks and opportunities with, as well as being proactive, readily available and direct in his advice.
