## INTRODUCTION

Having worked directly for two of the world's leading leisure, hospitality and tourism operators, Cameron understands how to deliver legal advice in a way that achieves commercial objectives. Cameron is highly regarded by operational teams and counsel alike for his ability to combine legal strategy with commercial acumen to drive practical outcomes for the benefit of his clients.

## EXPERIENCE

Cameron has a wealth of advisory and client-facing experience across an array of industries, with recent transactional involvement including:

- o Spin of Wyndham Destination Network & Wyndham Vacation Ownership from Wyndham Hotels
- o Divestment of Wyndham Vacation Rentals (Europe) to Platinum Equity for US\$1.2 billion
- o Divestment of Heron Island Resort & Wilson Island Resort, whilst negotiating retained management rights
- o Sale of coal mining tenements in Queensland by Linc Energy to Adani for A\$3 billion
- o Sale of participating interest in Foxleigh Coking Coal Mine to Nippon Steel for A\$95 million
- o Bolt-on acquisitions throughout Europe for the Awaze group
- o Corporate restructuring for the Awaze group of companies in the United Kingdom
- o Joint venture and affiliation arrangements for RCI throughout the Middle East
- o Hospitality service contract negotiations for stadiums, resorts, airports and remote mining villages throughout Australia and New Zealand
- o Reward scheme creation and cross-promotional affiliation agreements within the vacation rentals space throughout Europe
- o Bid for Anglo American coal seam assets in Queensland
- o Bid for Tipton West coal seam assets in Queensland

Cameron has also served on various boards and committees, having sat on the board for the Prostate Cancer Foundation of Australia (Queensland) and the Brisbane Junior Chamber of Commerce.
